The cart hire and other extra charges on such occasions should be borne by the contractor himself, if the number of animals leaving the station is not less than 6.

5. The Squadron Commander of each regiment will indent on the contractor for the quantity of the grain (cleaned as described above) required per day and the contractor will supply the quantity indented for daily at the Sowar lines at Bangalore and Mysore and obtain receipts.

6. The contractor will present his bills once a month for supplies made by him during the month, to the Commanding Officer at any station who will arrange for payments of the amount due to the contractor.

7. Should the contractor fail to comply with any of the conditions detailed above, his contract will be forthwith cancelled and deposit forfeited to Government.

8. The Chief Commandant reserves to himself the right of accepting or rejecting any tender without assigning any reason therefor.

9. Probable quantity required at Bangalore, if the Imperial Service Regiment returns from the Field Service 1,500 seers of kulthi and 2,200 lbs. chenna daily. Otherwise, the probable quantity required for the depot of the regiment would be 1,000 seers of kulthi and 1,800 lbs. chenna daily.

At Mysore:—

Kulthi 2,000 seers per day.

N.B.—Should any necessity arise for feeding the animals of any regiment on any extra quantity of the grain, the contractors should be prepared to supply the required extra quantity.
